BRIEF ABSTRACT OF LETTER.

Submits a letter from Mr Duraiswamithi requesting that he may be given a higher place in the grade of Sanj officers under the revised scale and recommends that instead, a local allowance of Rs 50 may be attached to the post.

NOTES AND ORDERS.

D Submitted for orders. Mr Duraiswamithi was appointed in the Sanj Dept and posted to the Vaccine Institute on a pay of Rs 150-10-250 (vide G.O. No 3761-3 dt 20-8-18). In the last Sanj allocation order, the post of the Supt

Vaccine Institute was placed on the same footing as that of the District Sanitary officers, and Mr. Iswaramurthi was allowed to draw Rs 165 in the grade Rs 150-15-360. The reorganisation has benefited Mr Iswaramurthi as it has done the officers. In file 59-15-5 the Secy. Comm. recommended the grant of a local allowance of Rs 50 attached to the post to Mr. J.A. Iswaramurthi; but it was ordered that no such allowance was attached to the post and none could be sanctioned now.

(2) To grant Mr. Iswaramurthi Rs. 255 as requested by him would be to supersede some officers. The grant of a local allowance to the Superintendent of the Vaccine Institute, is different. There is at present no local allowance in the Sanitary Department except on the Kolar Gold Fields. If an allowance is granted here, one is likely to be asked for the P.H. Laboratory.

Sir,

I have the honour to submit herewith, for the orders of Government, letter No.34 dated the 13th October 1919 from Mr. J.A.Iswaramurti, B.A.,L.M.S.,B.S.Sc., Superintendent, Vaccine Institute, requesting that he may be given a higher place in the grade of District Sanitary Officers under the revised scale sanctioned by Government. I find that he was recommended by my predecessor for a start of Rs. 200/- in the grade of Rs. 150-15-360, in view, perhaps, of his special training befitting him for the important charge of the Vaccine Institute. The appointment however being interchangeable with the posts of Health Officers of the second class, I can only recommend that a local allowance of Rs. 50/- per mensem be attached to it in view of the responsibilities and the technical nature of the work involved.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

D With reference to Government Order No. G.6268-70 Sany.93-18-7 dated the 11th September 1919, fixing my pay at Rs.165/- per mensem in the grade of Rs. 150-15-360 I have the honour to submit that when I was offered the post of a District Sanitary Officer by Dr. M. Srinivasa Rao, the then Sanitary Commissioner, I expressed my willingness to accept Mysore service if I was started on Rs. 200/- on the grade of Rs. 150-10-250. I was told that a recommendation had been submitted to Government accordingly. In August 18, however, I received an order from the - - Sanitary Commissioner appointing me temporarily on Rs. 150/- and posting me for charge of the Vaccine Institute. From an interview the Sanitary Commissioner was good enough to give me before I accepted the order, I gathered that the arrangement was temporary and that my case would - - receive further consideration when the question of my confirmation was taken up after I had rendered approved service. I also understood that the Department was also likely to be re-organised very soon and that the fact of my having been specially selected for work in the Vaccine - - Institute would not be overlooked. Later Mr. G.M.Dominick was appointed as District Sanitary Officer on a start of Rs. 240 in the revised scale of Rs. 150-15-360, and naturally I had the expectation of being at least ranked with him in the reorganisation scheme, holding as I do a triple degree and the independent charge of an important Institution like the Vaccine Institute. I may venture to say that during the period of the year that the Vaccine Institute has been in my charge, I have endeavoured to maintain a high level of efficiency, although I worked single-handed

and had no assistance given me as was the case in previous years. I beg to append statistics for kind perusal by Government

2. In view of the above facts. I pray that Government will be pleased to fix my pay at Rs. 255/- per mensem from the date from which the revised scale has come into effect.

I have the honour to be,

Sir,

Your most obedient servant,

Superintendent,
